

NATIONAL HEALTH CENTER WEEK SPONSORSHIP PACKET 2026

Dear Community Partner:

TCA Health is excited to announce that plans are underway for our Annual Back-to-School Health Fair and National Health Center Week (NHCW) Celebration!

This year, National Health Center Week will be observed from Sunday, August 2, 2026, through Saturday, August 8, 2026. The 2026 theme, *“Building Innovative Care, Where It Matters Most,”* highlights how Community Health Centers (CHCs) use creativity, dedication, and forward-thinking approaches to meet patients where they are—improving access to care, enhancing primary care delivery, and achieving better health outcomes nationwide.

Join us as we celebrate the vital role of community health centers while preparing students and families for a healthy, successful school year!

For 55 years, TCA Health has been a trusted cornerstone of care on the Far South Side of Chicago, and we are proud to now extend our services to families in Hammond, Indiana. Our mission is rooted in providing high-quality, equitable, and accessible healthcare, improving health outcomes, reducing disparities, and meeting people where they are.

Through our National Health Center Week (NHCW) Celebration and Annual Back-to-School Health Fair, we address critical gaps in care while creating meaningful impact for families in our community. These events provide essential services such as school and sports physicals, dental exams, and behavioral health screening services that support early detection, prevention, and overall wellness.

Your sponsorship is more than a contribution—it is an investment in the health and future success of children and their families. With your support, a child can start the school year healthy, confident, and ready to learn, while parents gain access to vital healthcare resources they might otherwise go without. At the same time, you are helping reduce barriers to care, expand access to services, and strengthen long-term community health outcomes.

Together, we can ease the burden on families, uplift our community, and create healthier futures. Your partnership makes it possible for our dedicated healthcare professionals to continue showing up, caring deeply, and meeting people where they are—when it matters most.

While our main Back to School Health Fair on Wednesday, August 5th will have a significant impact, we're also hosting focused pop-up events at our other three health center locations:

- Chatham: 8425 S. Cottage Grove Ave.
- Hegewisch: 13336 S. Baltimore Ave.
- Hammond, IN: 5504 Hohman Ave.

These events provide additional opportunities to connect with families in the heart of their neighborhoods. The success of our Health Fair, which last year empowered over 200 children, is directly attributable to the generous support of community partners like you. This year, we aim to reach even more families and deepen our impact.

Ready to make a meaningful difference in the lives of local children and their families? Simply complete the enclosed sponsorship form and select the level that best aligns with your organization's goals and values by July 1, 2026. For any questions or to discuss a customized sponsorship opportunity, please don't hesitate to contact Quinnesia M. Bell at qbell@tcahealth.org or by phone 773-995-6300 x1227.

We look forward to your support!

Warm Regards,

Veronica Clarke
