Building Innovative Care
Where It Matters Most.

National Health Center Week

August 2-8, 2026

JOIN US!

M-F, AUGUST 3rd - 7th: **PEDIATRICS WEEK**

Open Health Care Clinic is offering **FREE BACKPACKS** for all pediatric appointments scheduled during this entire week. These **CLEAR BACKPACKS** are stuffed with school supplies too. Two locations serving pediatric patients welcome you to set your annual well-checks and sports physicals during this week to collect your school supply backpack. Call to set your appointments now!

Call to schedule (225) 655-6422.

TUESDAY, AUGUST 4th: **PATIENT APPRECIATION DAY**

Come see us at any Open Health Care Clinic location for a **FREE Patient Appreciation gift!** Our mobile unit is available for tours at our MidCity location.

WEDNESDAY, AUGUST 5th: **ORAL HEALTH FOCUS DAY**

Open Health Care Clinic is busy building innovative care where it matters most, because our mobile dental unit allows us to bring care where it's needed! Our dental mobile unit will be available for tours at our MidCity location. ALL locations will have a **FREE dental hygiene kit** for all patients.
